Annexure 5

Experience At a Glance

Team **GOBINS INDIA** Provides; Entire Solutions for Construction, Operation & Maintenance needs in the Engineering and Industrial Sector.

Our Major Experiences in the Field, at a glance;

- **Erection & Commissioning of Equipments – Static & Rotary**
- **Fabrication, Erection / Installation & Commissioning of Pipe Lines.**
- **Operation & Maintenance of Running Plants**
- **Routine & Preventive Maintenance including Annual Maintenance & Shut down jobs.**
- **AMC with Operational Assistance and Industrial Services.**

We have successfully executed / executing various project & maintenance jobs for **Power, Steel & Cement manufacturing Plants.**

- **Ash Handling System – Boilers & ESP – for Power Plants.**
- **AMC – ESP**
- **Steel Rolling Mills of Long & Flat Products - Bar Mill, Wire Rod Mill, HRM, CRM, CGL, CCL, Slitting lanes, Skin Pass Mill etc.**
- **SMS**
- **Casters – Slab Casters, Bloom And Billet Casters**
- **Re-heating furnaces**
- **Blast Furnaces**
- **Corex**
- **Pelletizing**
- **Sinter**
- **Raw Material Handling**
- **Coke Oven**
- **DRI**
- **Dust Extraction Systems**

All our Operations are being maintained with best standard practices of HSE - Plan, Policy, and Program.

- **Managing and coordinating various sites / offices and sections with timely cost controlled job execution along with standard safety practices ensuring best quality and client satisfaction.**
- **Well aware and managed the team under M/s Dupond, HSE Standards according to the strict requirements of ISI specifications. Training programs conducted to all team members including sub-contractor employees, introduced, maintained and co-ordinate the implementations with proper induction, HSE policy, plan & program with systematic orientation records.**
- **Effective HR management with effective Induction programs, Periodical trainings to the team according to the latest technical and commercial standards & practices.**
-

Details of Experience

Job Description	Client	State
Power Plant - Boiler # 1, 2,3,4,5 & 6: Ash Handling System – Ash Conveying Pipe Line Jobs & Mechanical Maintenance.	M/s Bhushan Power & Steel Limited	Jharsuguda, Odisha, INDIA
Power Plant - Boiler # 1, 2,3,4,5 & 6: Mechanical Maintenance – Soot Blowers.		
Power Plant - Boiler # 1, 2,3,4,5 & 6: Various Mechanical Maintenance Jobs.		
Power Plant - ESP # 1, 2,3,4,5 & 6: Routine & Preventive Maintenance jobs Including Shut down jobs.		
Sinter Plant # 3: Various Structural Fabrication & Erection Jobs, D E System Ducts, Hoods & Chimney Fabrication & Erection including Erection, Alignment and Commissioning of Equipments.	M/s JSW Steel Limited	Bellary, Karnataka, INDIA
Sinter Plant # 3: Exhaust Duct Fabrication & Erection - ESP Fan to Chimney.		
Sinter Plant # 4: Erection, Alignment & Commissioning of ESP - Equipments, Structures, Cones, Ducts, Chain & Pneumatic Conveyors.		
Sinter Plant # 4: Erection, Alignment & Commissioning of Sinter Machine Equipments		
Sinter Plant # 4: Modification of Equipments, Chutes etc.		
Sinter Plant # 4: Erection, Alignment & Commissioning of Pneumatic Conveying Systems		
Sinter Plant # 4: Fabrication & Erection of Technological Structures		
Sinter Plant # 4: Fabrication & Erection of Various Miscellaneous Structures		
SMS # 1: Fabrication & Erection of Various Structures		
LCP # 2 & 3: Fabrication & Erection of Various Structures.		
Pellet Plant # 2: Fabrication & Erection of Piping, Which includes Air, Fire Fighting Lines, Hydraulic and Lubrication Piping.		
Pellet Plant # 2: Erection and Alignment of Various Technological Structures		
Pellet Plant # 1 – Filtration : Fabrication, Erection and Commissioning of Slurry & Utility Piping		
Benefication Plant # 2: Fabrication, Erection and Commissioning of Slurry Pipe Lines – 100% radiographic job.		
Sinter Plant # 4: Erection & Alignment of De-dusting System including Erection of Chimney.		
Sinter Plant # 3: Various Fabrication, Modification & Erection of Technological Structures

Annexure # 5

Job Description	Client	State
MSDS # 2 – BP # 2: Fabrication, Erection and Alignment of Cable Gallery & Structures.	M/s JSW Steel Limited	Bellary, Karnataka, INDIA
ESP- Pellet Plant # 2: Regular Maintenance Jobs, Including Replacement / Alignment of Emitting and Collecting Electrodes during Shutdowns – AMC Since commissioning.		
RMHS # 2: Fabrication, Erection and Alignment of Structural Bin (Conical) – Erection During Shut down		
Slit Coil Packing Line: SPCL: Rotary & Static Equipments – Erection, Alignment and Commissioning with related Hydraulic Piping Jobs.		
PP # 1 & 2 : ESP Maintenance Jobs, Including Alignment of Emitting and Collecting Electrodes – AMC		
Slime Plant: Erection, Alignment and Commissioning of Pumps & Motors and Various Structural Jobs.		
LP Mills : (Bar & Wire Rod Mills) : Various Mechanical Maintenance Jobs, Including Shutdown Jobs		
Pump House (LP Mills): Maintenance and Repairs of Pumps & Compressors along with necessary replacements and Alignment jobs.		
Corex Gas Line: Fabrication & Erection of Valve Arrangements at Pellet Plant # 2		
Slit Coil Packing Line: SPCL: Equipment & Hydraulic Piping Jobs.		
Coke Oven: Fabrication & Erection of Structures including shot Blasting and Painting.	M/s JSW Steel Limited	Dolvi, Pen Tal., Raigad Dt. Maharashtra, INDIA
SMS : S.S. Hydraulic Piping Jobs		
Erection, Alignment and Commissioning of Bar Mill Equipments – (Approx. Weight 1200 MT. -21 Stands)	M/s SBQ Steels Limited	Gudur, Andrapradesh, INDIA
Sand Blasting , Painting, Refurbishing, Erection, Alignment and Commissioning of Total Rolling Mill Equipments (Approx. Weight 2500 MT.)		
Fabrication, Erection, flushing, Pickling, Pressure testing and commissioning of Hydraulic, Pneumatic and Utility Piping for Rolling Mill Complex		

Job Description	Client	State
Fabrication & Erection, Pressure testing and commissioning of Utility Piping for Pump Hose & Utility Department.	M/s SBQ Steels Limited	Gudur, Andrapradesh, INDIA
Fabrication, Erection, Pressure testing and commissioning of Pneumatic and Utility Piping for Compressor House		
Fabrication & Erection of Structures – Rolling Mill Complex		
CRM, CGL & Tube Plant: Mechanical Maintenance jobs of Cold Rolling Mill, Galvanizing Line & Tube Plant.	M/s Karnataka Strips Limited	Bellary, Karnataka, INDIA
Tube Plant: Various Equipments, Structural and Piping Jobs.		
Fabrication, Erection, Testing & Commissioning of Utility for Pellet Plant which includes Water, air, slurry, Fire fighting water and all utility piping.	M/s MSPL Limited	Koppal, Karnataka, INDIA.
Fabrication, Erection, Testing & Commissioning of Pneumatic Conveying system		
Fabrication, Erection, Testing & Commissioning of Furnace Oil, Hydraulic & Lubrication Piping		
Wire Rod Mill : Erection, Alignment & Commissioning of Equipments & Piping Jobs of Wire Rod Mill Designed and Supplied By M/s DANIELI.	M/s Mittal Corporation Ltd.	Indore, Madhyapadesh, INDIA
Sand Blasting, Painting, Refurbishing, Erection, Alignment, testing and Commissioning of Equipments – Rolling Mill Expansion Project. (6 Stands)	M/s Kalyani Steels Limited	Hospet, Karnataka, INDIA
Fabrication, Erection, flushing, Pickling, Pressure testing and commissioning of Hydraulic, Pneumatic and Utility Piping for Rolling Mill Expansion Project		
Fabrication, Erection, flushing, Pickling, Pressure testing and commissioning Pneumatic Piping for Rolling Mill.		

Job Description	Client	State
Sinter Plant # 2 : Fabrication, Erection & Commissioning of Dedusting Systems	M/s Kalyani Steels Limited	Hospet, Karnataka, INDIA
Regenerative Type Steam Based Reheating Furnace : Total Equipments, Piping & Structural Jobs		
35 TPH Blooms Reheating Furnace Project – Fabrication & Erection of Furnace Pannels & Structures, Equipments and Piping Jobs.	M/s Kalyani Thermal Systems Limited	Hospet, Karnataka, INDIA
Up gradation of RMS for New Reheating Furnace including Modification, Erection, alignment and commissioning of Pipe Lines, Structural and Equipments.	M/s Mukand Limited	Hospet, Karnataka, INDIA
Erection, Alignment, testing and Commissioning of Equipments – Rolling Mill Project.		
Fabrication, Erection, flushing, Pickling, Pressure testing and commissioning of Hydraulic, Pneumatic and Utility Piping for Rolling Mill Project		
Erection of Chimney having 53Mtr. Height – 35MT weight.		
Structural Fabrication & Erection – Piping Re-routing Project at MBF-3	M/s Hospet Steels Limited	Hospet, Karnataka, INDIA
R.O.Plant - Erection, Alignment & Commissioning of Equipments and Piping.		
Bloom & Billet Caster: Steam Exhaust Chimney, related Ducts & Equipments – Erection, alignment and commissioning.	M/s Hospet Steels Limited	Hospet, Karnataka, INDIA
EOF ID Fan : Ducts fabrication & Erection. Erection, alignment of ID Fans.		
Annual Maintenance of EOT Cranes and Transfer Cars of total SMS, CCM and MBF. Executing Since January 2007.		
CRM, CGL & Tube Plant: Mechanical Maintenance jobs of Cold Rolling Mill, Galvanizing Line & Tube Plant.	M/s Karnataka Strips Limited	Bellary, Karnataka, INDIA
CRM-1 & 2, EOT Crane Operation & Maintenance, Maintenance of Chocks, Bearings and Rolling Rolls of Total Mills and Roll shop activities including Roll Grinding & Shot blasting. with M/s Timken India Limited	M/s Essar Steels Limited	Hazira, Surat, Gujarat, INDIA

Details of Experience continues...

Job Description	Client	State
Tube Plant: Various Structural and Piping Jobs.	M/s Maha Shakti Meta Steel Pvt. Limited	Bellary, Karnataka, INDIA
CGL : Various Structural, Piping & Equipment Jobs.	United Galva Limited	Bellary, Karnataka, INDIA
MBF-3 Project – Turbo blower Lub-Oil System of MBF – Fabrication of S.S. Pipe lines , Erection and Commissioning of the entire System.	M/s Mukand Limited	Hospet, Karnataka, INDIA
MBF-3 Project – Fabrication, Erection and Commissioning of Compressed Air Pipe Lines.		
SS Liner : Fabrication & Erection of SS Liners for Bunkers.		
MBF-3 Project – Fabrication, Erection and Commissioning of Water Pipe Lines.		
Auto CTL line: Fabrication, Erection & Commissioning of Hydraulic & Pneumatic Pipe lines	M/s Karnataka Strips Limited	Bellary, Karnataka, INDIA
Various Structural Fabrication & Erection Jobs		
CRM: Modernization Jobs – Equipments, Piping and Structural Jobs.		
Auto CTL line: Operation & Maintenance.		
Coke Oven Batteries, Butters Walls, Pusher Tracks etc. Casting & Related Jobs.	M/s Sathavahana Ispat Limited	Kudithini, Bellary Dt., Karnataka.
Erection & Commissioning of ESP 1 & 2 for New Power Plant	M/s Vertex Development & Properties Pvt. Limited	Wardha, Maharashtra, INDIA.
Dust Extraction System for Thermal Power Station-1 Expansion Project. TPS-1 Expansion	Neyveli Lignite Corporation (NLC), Neyveli. A Government of India Enterprise,	Tamil Nadu, INDIA.
Mill Feeding Conveyors (100% Air Sealed Design) , Erection, Alignment & Commissioning –Technological Structures and Equipments. With M/s Ansaldo-Italy. For Unit 1 & 2 of TPS-1 Expansion – Total 18 Conveyors (each having one Belt & one Scraper Conveyors.)		
Mobile Belt Conveyors- For Unit 1 & 2 of Thermal Power Station-1 Expansion Project.

Job Description	Client	State
Fabrication, Erection, Testing and Commissioning of Pipe Lines & Erection, alignment & Commissioning of Compressor House including Structural Jobs.	M/s Energy Logistics Pvt. Limited	Thane, Mumbai, Maharashtra, INDIA.
Fabrication & Erection of Building Structures of SMS	M/s Basai Steels Pvt. Limited	Bellary, Karnataka, INDIA.
Fabrication & Erection of Structures- Central Stores		
Various Piping, Equipments & Structural Jobs including S.S. and C.S. pipe Lines.	Praxair India Pvt. Limited	Hospet, Karnataka, INDIA
Fabrication & Erection of Structures at HRM	M/s Lloyds Steel Industries Limited	Wardha, Maharashtra, INDIA.
Fabrication & Erection of Pipe Lines & Fume Exhaust Ducts for 250 TPH Reheating Furnace at HRM		
Modification, Erection, Alignment and Commissioning of Equipments at HRM		
Erection and Alignment of Equipments for Reheating Furnace		
Modification, Erection, Alignment and Commissioning of EOT Cranes		
Sinter Plant # 2 : Fabrication, Erection & Commissioning of Dedusting Systems	M/s Kalyani Steels Limited	Ginigera, Hospet, Karnataka, INDIA.
Regenerative Type Steam Based Reheating Furnace : Total Equipments, Piping & Structural Jobs		
Wire Rod Mill : Erection, Alignment & Commissioning of Equipments & Piping Jobs of Wire Rod Mill (part) Designed and Supplied By M/s DANIELI .	M/s Mittal Corp. Ltd.	Indore, Madhyapradesh, INDIA

Details of Personnel Experience of Our Directors

Mr. Binu.S.Gopinath, Managing Director - GIE

Sl.No.	Scope of Work	Client / Plant Details	State
1	Air Oil Lubrication System Piping Jobs for Hot Strip Mill (HSM) - REBS-Oil-Air Turbolub Lubrication. Designed and Supplied from Germany .	Jindal Vijayanagar Steel Ltd., Toranagallu, Bellary.	Karnataka, INDIA
2	3/8" Cut-to-Length Equipments - Refurbishing, Erection, Alignment and Commissioning.		
3	Utility Piping at RMHS , Including Underground Piping of Fire Fighting Line with Wrap Coating and Civil Works.		
4	3/16" Cut-to-Length Equipment Refurbishing, Erection, Alignment and Commissioning.		
5	Different fabrication, Piping (L.P.& H.P), Shut down jobs in Corex-1		
6	Dismantling, Re-erection, Alignment and Commissioning of Vibro Feeders in Corex-1& RMHS .		
7	Underground Piping of Air Line Corex-1		
8	Fabrication jobs for conveyors RMHS		
9	Fabrication and Erection of Cyclone and Ducts for BM 50Mill at Pellet Plant .		
10	Dust Extraction system at RMHS .		
11	Fabrication, Erection, Assembly, Alignment and Commissioning of Conveyors for RMHS / Corex- II- Phase 2 Project .		
12	Hydraulic and lubrication Piping at Pellet Plant		
13	Pneumatic conveyors -Fabrication, Erection and Commissioning at Pellet Plant .		
14	Hydraulic, Pneumatic, Cooling Water and Lubrication Piping for Cut to Length 3/8"		
15	Fabrication and Erection of Corex Gas Pipeline for Reheating Furnace-HSM		
16	Hydraulic, Pneumatic, Cooling Water and Lubrication Piping for Cut to Length 3/16"		
17	Dismantling, Fabrication, Erection and Commissioning Pipe Line and instruments for HSM Furnace		
18	Sandblasting and Painting of Equipments and Structures for Cut-to-length .		
19	Nitrogen Piping at HSM		
20	Erection, Testing and Commissioning of Lubrication system Piping for Ball Mill and Disc Palletizing Machine of Pellet Plant		
21	Fabrication and Erection for Hot Slab Box Structure for HSM		

Details of Experience (Director's) – Continues...

Sl.No.	Scope of Work	Client / Plant Details	State
22	Erection, Testing and Commissioning of Hydraulic System Piping for Ball Mill and Disc Palletizing Machine of Pellet Plant	JSW Steel Limited, Toranagallu, Bellary	Karnataka, INDIA
23	Erection and Commissioning of Pneumatic Conveying System for Pellet Plant		
24	Modernisation Jobs of HSM during Capital Shut-down during April & May-2006		
25	CRM-3 , Dismantling of Total Equipments & Pipe Lines and Re-erection, Alignment and Commissioning after reconditioning along with related Piping and Technological Structures.	Jindal Iron & Steel Company Ltd., Vasind	Maharashtra, INDIA
26	HRM , Dismantling of Equipments & Pipe Lines. Its Reconditioning, Re-erection, Alignment and Commissioning.	JSW Steel Limited, Vasind	Maharashtra, INDIA
27	Colour Coating Line Equipments – Erection, Alignment and Commissioning	Jindal Vijayanagar Steel Ltd., Tarapur	Maharashtra, INDIA
28	Rewinding Line – Equipments, Modernisation Jobs	JSW Steel Limited, Tarapur	Maharashtra, INDIA
29	H.R.Slitter Equipments and Piping – Erection, Alignment and Commissioning		
31	Piping modification & Fabrication jobs, Dismantling & Re-erection of expansion Bellows – Power Station 1	Jindal Tractable Power Company Limited, Bellary	Karnataka, INDIA
32	Piping modification & Fabrication jobs, Dismantling & Re-erection of expansion Bellows – Power Station 2		
33	On-Board piping of Bloom Caster & Billet caster, Ginigere, Hospet Site.	Mukand Ltd. Ginigere. Hospet.	Karnataka, INDIA.
34	Hydraulic Piping-Fabrication, Erection, Pressure Testing Pickling, Flushing and Commissioning.		
35	Various Piping jobs for SMS.		
36	CRM – Equipments Erection, Alignment and Commissioning along with related Piping.	Karnataka Strips Pvt. Limited, Bellary.	Karnataka, INDIA.
37	Dust Extraction System for Thermal Power Station-1 Expansion Project. TPS-1 Expansion	Neyveli Lignite Corporation (NLC), Neyveli. A Government of India Enterprise,	Tamil Nadu, INDIA.
38	Mill Feeding Conveyors (100% Air Sealed Design), Erection, Alignment & Commissioning – Technological Structures and Equipments. With M/s Ansaldo-Italy. For Unit 1 & 2 of TPS-1 Expansion – Total 18 Conveyors (each having one Belt & one Scraper Conveyors.)		
39	Mobile Belt Conveyors- For Unit 1 & 2 of TPS-1 Expansion		

Details of Experience (Director's) – Continues...

Sl.No.	Scope of Work	Client / Plant Details	State
40	H.R.Slitter Equipments and Piping – Erection, Alignment and Commissioning		
41	CGL-2 Project – Equipments & Piping Jobs	Lloyd Industries Limited, Wardha	Maharashtra, INDIA.
42	CCM-2 Project – Equipments & Piping – Erection, Alignment and Commissioning		
43	Down Coiler-3 – Equipments & Piping		
44	CRM 4 Hi. Equipments and Piping	Shree Precoated Steels Limited, (an Ajmera Group of Company), Sanaswadi, Pune.	Maharashtra, INDIA.
45	Skin pass Mill – Equipments and Piping		
46	H.R. Slitter – Equipments and Piping.		
47	CCL-2 Building Structure, Fabrication & Erection		
48	CGL-2 Equipments Erection, alignment and Commissioning and Furnace Piping.		
49	CCL-2 Equipments and Piping.		
50	CGL-2 Vertical Accumulator – Fabrication, Erection and Alignment.		

Annexure 6
Experience in Operation & Maintenance of Running Plants:

Job Description	Client / Plant Details	Period	
Cut to Length Line – 2 Operation & Maintenance, including shutdown jobs.	JSW Steel Limited Thoranagallu, Bellary District, Karnataka – INDIA.	Since 1999 to 2006	
Cut to Length Line – 1 Operation & Maintenance, including shutdown jobs.		Since 2002 to 2006	
COMMANDO FORCE- Maintenance Gang with Tools, Tackles & Machineries and transportation to attend all Major and Emergency Break down / Shutdown jobs in all over the total plant, where ever necessary, for central Maintenance Department.		Since 2000 to 2006	
Hot Strip Mill (HSM) Maintenance of Chocks, Bearings and Rolling Rolls of Total Roughing & Finishing Mills and Roll shop activities- with M/s Timken India Limited		2004 to 2006	
Hot strip Mill (HSM) Grease Lubrication System- Maintenance – with M/s Bharat Shell		Since 2001 to 2006	
Oxygen lance maintenance for BOF & CCP.		2001-2003	
Dust Separation System Operation & Maintenance for RMHS		Since 2001 to 2006	
Hot Strip Mill (HSM) Total Mechanical Maintenance along with Operational Assistance.		Since June 2006 to Sept. 2006	
CRM-1 & 2, EOT Crane Operation & Maintenance, Maintenance of Chocks, Bearings and Rolling Rolls of Total Mills and Roll shop activities including Roll Grinding & Shot blasting. with M/s Timken India Limited		Essar Steels Limited and Steel Corporation of Gujrat Limited Hazira, Gujrat, INDIA.	2004-2012
Hot Rolling Mill (HRM) Total Mechanical Maintenance and Operational Assistance.		JSW Steel Limited Vasind, Maharashtra – INDIA.	Since January 2006 to Sept. 2006
Power Plant : Boiler # 1, 2, 3, 4, 5 & 6 – Various Mechanical Maintenance jobs – Ash Handling System Maintenance – Soot blowers - ESP - Routine & Preventive Maintenance Including Annual Shutdown Jobs.	M/s Bhushan Power & Steel Limited Jharsuguda, Odisha - INDIA	Under Progress - Regular
